

Round Magnetic Assemblies

CUSTOM SOLUTIONS

Round Bases are perfect for light anchors for any application requiring holding to metal surfaces. Magnetic strength can be multiplied by up to 32 times by using steel armatures to concentrate magnetic flux.

Round Magnetic Bases

SGRT Part #	Size	Pull (lbs)
RB-20	1.20" DIA x 0.187" TK	5
RB-40	1.42" DIA x 0.270" TK	15
RB-50	2.0" DIA x 0.30" TK	35
